

Thank You, Napa Valley Vintners and Collective Napa Valley, for Raising \$3.8 Million for Youth Mental Health!

SHINE Napa Valley - Supporting Youth Mental Health

We are delighted to extend our heartfelt gratitude to Napa Valley Vintners and Collective Napa Valley for their generous support towards youth mental health. Their recent Together Again Weekend raised a staggering \$3.8 million for our youth. This funding will go a long way in supporting **SHINE Napa Valley**, which provides mental health support and resources to young people in the Napa Valley region. We are truly grateful for their unwavering commitment to helping our youth thrive and

flourish. **SHINE** is a partnership for youth mental health between **UpValley Family Centers, On the Move, Napa Valley Education Foundation, and Mentis.**
