

ALDEA

Children & Family Services

Our mission is to improve lives and create bright futures for people we serve by providing professional mental health, child welfare and support services in a manner that respects the dignity and individuality of each person.

Please consider contributing to the holiday celebrations of the children, adults and families we support through our many mental health, support services and child welfare programs at Aldea!

We are accepting the following gifts for our children and adult clients:

\$25 Gift Cards for the holidays

Help a needy child/adult in your community

- We support adults with disabilities on limited income and some with no families to rely on during the holidays.
- For our younger clients, gift cards provide opportunity to have a holiday meal for a family or helping a parent buy gifts for children. A great source of pride for many parents is to shop for their children's holiday gifts. This is not a holiday reality for some families living paycheck to paycheck.
- Help our clients in our community make this holiday season special with a gift card to a local retailer. Suggestions include Target, Wal-Mart, Cinemark, Safeway, Raley's, Lucky's

Adopt a Family

If you are interested in adopting a family, we are collecting gift cards totaling \$300 that will be given to each family in need. A mix of gift cards to various stores is nice to cover several needs.

If you would like to donate funds for Aldea to purchase gift cards, please see below for instructions: I'd like to make my gift by:
