INTERACTIVE ZOOM TRAINING:
OCTOBER 11, 2022
5:15 PM - 7:15 PM

TRAINING CONTENT:

This training will explain the purpose of the Child Welfare system and the Resource Family Approval application process. We will define what a Resource Parent is and go over the responsibilities that come with the role, where the Resource Parent is in the larger team of supports for foster youth, as well as the five competency categories guiding a Resource Parent. The Aldea Staff will introduce Aldea's history, its programs, and support services provided to Resource Families. She will explain the steps in the process to become an approved Resource Parent: the required documentation, pre-service trainings, submission of background checks, how to prepare your home for RFA approval, and review the purpose of the psychosocial assessment (home study interviews and report).
