- ▶ **Training Content:** The 3-5-7 Model™ is a core child welfare practice which provides a guided approach to permanency. It incorporates theoretical underpinnings from grief work, child development, attachment, separation and loss, trauma, family systems and relationship development. This training will overview specific case vignettes where in which the CANS (Child and Adolescent Needs & Service) tool and 357 Grief & Loss Model has been used in conjunction with another to discuss effective treatment of care.
