**Special Guest at the
VIP/Sponsor Reception**

KEVIN BERTHIA, suicide survivor and
prevention advocate.

NAPA, Ca., April 19, 2021 - "Change a Life in an Hour" is the theme inspiring Aldea Children and Family Services' virtual fundraising event set for Wednesday, May 19, 2021. Nationally recognized suicide survivor and prevention advocate **Kevin Berthia** will be the special guest at the VIP Reception from 6:30 pm to 7 pm, followed by the main program from 7 pm to 8 pm.

At the age of 22, Kevin attempted to take his own life by jumping from the Golden Gate Bridge. It wasn't until 8 years after his attempt that Kevin was reunited with the officer who talked him back to safety. Since then, Kevin's story of HOPE has touched a diverse group of audiences all around the world.

Funds raised at the event are needed to close the funding gap for programs that serve all three counties like Foster & Adoption Care, and SOAR

(Supportive Outreach and Access to Resources) Early Detection of Psychosis.

Of special interest in the virtual event's VIP Reception will be the presentation of the **Aldea's Courage to Change a Life Award** to Sindel Kegley, a client of the Transitional Housing Program, which

was created by the Aldea Board to recognize the efforts of clients and their families who have demonstrated exceptional courage and devotion to improving lives and creating bright futures in our community.

VIP tickets are \$125 and include the reception and main program and a gourmet three-course dinner prepared by Tre Posti and **delivered to guests' homes!** General admission tickets to the main program are \$55. On Wednesday, May 19, 2021, you will have the power to change a life with your participation.

We will spend a Happy Hour together, yes. And we will make every miraculous minute transformative for those in need in our community.

Our event will feature many heartwarming moments like **testimonials from the people**

Aldea is the essential community partner for children and families in crisis. We believe that in a family's most critical moments, the company of a trusted professional can mean the difference between strength and suffering.

Every day, our expert staff walks with

young people on their journey to healing, providing the care that brings both short term comfort and long-term resilience. Because with a community of support, they discover their own ability to create a new life, one moment at a time.
