Dear supporters of Aldea,

We hope this message finds you well. As the essential community partner for children and families, we rely on the support of generous donors like you to help us continue our important work. Your donations help provide high-quality services to the people who need them most and make a real difference in the lives of our clients and their families.

At Aldea, we believe that in a family’s most critical moments, the company of a trusted professional can mean the difference between strength and suffering. It doesn’t always feel safe to be vulnerable and ask for help. Without the expertise of caring professionals, serious emotional and mental health concerns often go overlooked.

Here’s an example, at the age of 16, Julie was thrown out of her house and began living in her car. She was addicted to drugs and facing several mental health challenges. Aldea quickly got Julie into emergency transitional housing and connected her with a team of trusted, essential experts to support her as she worked through her mental health challenges and substance abuse. After 6 months, Julie was placed with the Wilsons, a longtime foster family who would adopt her a few years later. With the support of Aldea’s dedicated staff, Julie has now been sober for 2 years, has a steady job at a local restaurant, and is enrolled in community college next fall.

When substance abuse in young people is addressed with early intervention and preventative education, it reduces the impact of alcohol and drug abuse on our youth, families, schools, and communities.

Supporting Aldea means that you can continue to impact young lives like Julie’s in the most positive of ways. If you can donate, no matter the size, we would be incredibly grateful. Your support will help us continue to provide vital services to the people in our community who are facing mental health challenges.

To donate, please visit our website at aldeainc.org/donate or click the link. Thank you for your support and for being a part of the Aldea community.

Sincerely,

The staff at Aldea
